CITY AND COUNTY OFFICIAL PAPER FREE COINAGE 16 to

For President and Silver: W. J. BRYAN, of Nebraska

For Vice-President. ARTHUR SEWALL, Maine.

We demand the Immediate restoration of the free and unlimited coinage of gold and silver at the present legal ratio of to to I, without waiting for the aid or consent of any other nation. We demand that the standard silver dollar shall be a full legal tender, equally with gold, for all debts, public and private and favor such legis-lation as will prevent the demonstration of any kind of legal tender money by private contract.—Democratic National Piatform.

The most consistent argument in favor of the gold standard that we have seen anywhere, is the following, by a prohibition paper in Boston : "If free silver prevails the people will have more money; if the people have more money they will buy more rum, Therefore, free silver is opposed to the cause of temperance!"

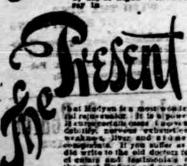

And this is from a paper that has heretofore claimed to be democratic,

The New York World, goldocrat, has been making a canvass among Mr Bryan's fellow members of congress as to his character and fitness for the office of president, While the opinions are colored somewhat by the views of the writers on the issue of the campaign, the World remarks that "it is neteworthy and gratifying that almost without exception Mr. Bryan's former associates in congress speak highly of his character and ability."

The Discovery Saved his Lite, Mr. G. Caillouette, Druggist, Beaver sville, Ill., says: "To Dr. King's New Discovery I owe my life, Was taken with La Grippe and tried all the phy-sicians, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get bet-ter, and after using three bottle was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free t tall t the Tombstone Drug Store.
